

# Laryngeal Complexity testing

Mykel Loren Brinkerhoff

2024-07-22

## Introduction

This document showcases the data and code ran to test the claims of [1]

## Air Quality

Figure 1 further explores the impact of temperature on ozone level.

```
library(ggplot2)

ggplot(airquality, aes(Temp, Ozone)) +
  geom_point() +
  geom_smooth(method = "loess")
```

Figure 1: Temperature and ozone level.
